IMPORTANT MESSAGE REGARDING HOUSE NUMBERS

As of March 31, 1994, Chapter 286 of the Southampton Town Code will require that all Town residents display house numbers so that they are clearly visible from the street. The law requires that you use only the number assigned by the Town. **NO OTHER NUMBER SHOULD BE DISPLAYED AND NO INSPECTIONS WILL BE DONE BY THE BUILDING DEPARTMENT AT PROPERTIES WITHOUT A HOUSE NUMBER.** If you have a different number for postal delivery, please file a change of address with your post office immediately. If your tax bill does not list a street number, or if you have a question regarding the law or the number assigned to you, please telephone Pat Raymond of the Assessors Office at 283-6000 extension 274.

The following is a description of the manner of display and the style and size of the required house numbers:

2. Existing and newly completed buildings. The owner of an existing building or newly completed building shall have the street address number displayed by permanently affixing or painting numerals, letters or script, stating the number, to the front of the building. Where the building is not close enough to the street, or is not readily visible from the street, the street address number shall be permanently affixed to a sign, post or mailbox located at the front of the parcel or lot where the building is situated.

B. Style and Size of Numbers.

1. The numerals, letters or script used to display the street address number of the building shall be painted on a plaque or the front of the building, or made of metal or other durable material.
